Aeorema Communications plc ('Aeorema' or 'the Company')

Trading Update

Aeorema Communications plc, the AIM-traded live events agency, provides a trading update. As outlined in the Company's Interim Results in January 2017, it was anticipated that trading in the second six months of the year would remain challenging; this has proven to be the case. Consequently, the Board of Aeorema expects profit to the year ended 30 June 2017 to be not less than £200,000. This figure remains subject to audit.

The Company is in a strong cash position but the Board believes it is prudent to review its dividend policy.
